## What the exhibitors said

“For a small investment of taking a 9m<sup>2</sup> stand, we took deposits on our development in Malaysia worth US\$1.5million. At times we just didn’t have enough people to talk to the buyers.

**Jenny Low**  
**Sales Manager, KL Metro**  
**MALAYASIA**

“Very pleased with the response. Our company attends a lot of events around the world and we were pleasantly surprised by the quality of the investors at the Dubai event. Apart from meeting a large number of buyers, we also talked to several local agents about representing our company in the UAE, and expect to sign up a leading estate agency during my trip.”

**Andy Collett**  
**Managing Director, International Division**  
**Pam Golding Properties**  
**SOUTH AFRICA, SEYCHELLES**

“This was our first exhibition outside Thailand and the effort we made in designing our stand was definitely worthwhile. At previous exhibitions in Thailand people were just browsing, whereas here in Dubai, people had time to ask us questions, and were very interested in buying in Phuket. We are pleased with the business and enjoyed exhibiting in the Grand Hyatt’s Baniyas ballroom, which is a class act!”

**Mimi Coutelier**  
**President, First Choice**  
**THAILAND**
